SAFEGUARDING :

¹USE OF EMAILS :

Members should lodge their school Glow account email with us. We are Partner Providers with Aberdeenshire Education Department and all our Tutors are STEM Ambassadors and PVG checked.

It is a requirement that all emails between tutors and members are also copied to comms@futuregroup.org.uk for safeguarding purposes.

USE OF IMAGES :

The Cromar Future Group publishes pictures of its activities both on our web-site and facebook page and in applications to funders. We never attach full names to the images but will release first names where appropriate.

Please delete as appropriate:

THE CROMAR FUTURE GROUP: MAY / MAY NOT : USE IMAGES OF THE ABOVE.

DATA PROTECTION :

We store the details shown above electronically for use in Club communications and operations. Aggregate data of members attending, numbers by age group and gender are often required by sponsors to justify our activities and funding. This is disclosed to them. Such data does not disclose any details of individuals.

E-mail addresses of members are not disclosed to partners or funders.

We do our very best to ensure your email address is secure, but the extra work associated with using a Mailchimp type package is not feasible in such a small organisation so we do rely on bcc as our main methodology and we cannot guarantee absolute conformance (although our track record is excellent in this regard).

General communications will normally come from info@futuregroup.org.uk. Please ensure this address is placed in your contacts list to avoid our communications going to your spam folder.

LOAN SCHEME : During the period where we are not running a physical club, we are happy to loan our machines to members. We will be requiring them back once the physical club recommences. Contact us for full details.

EVERYTHING ELECTRONIC ON-LINE CLUB RULES

1. The Club is open to those age : 8 to 18.
2. Parents/carers are welcome to supervise or attend Club sessions and this is recommended for very young members.
3. From time to time other adults from partner organisations such as funders, will attend sessions.
4. We have two vulnerable groups in this Club for which we all have a duty of care :
 - Those age under 18
 - Some of us old fogies who help run it. So please note :
 - We expect you to stay positive and supportive of other Club Members whilst in the Club.
 - We expect you to behave appropriately. If you have any doubts what that means, then see the Club organisers and we will explain it to you.
 - For child protection reasons we do not allow accessing games which are PEGI 16 or higher or any inappropriate on-line content on club machines.
5. Club Rules include the provision under "Use of Emails". Please see that section for details.
6. We reserve the right to exclude any Member or Volunteer who does not abide by the rules.
